<b>April 29</b>	<b>RecruitNY Weekend</b> <i>Please wear drill uniforms</i>	<b>11am-2pm</b>	<b>Both Stations</b>

### **Fire & EMS Training Courses**

**PRE-REGISTRATION IS REQUIRED** on “ALL” Training Courses. Contact Chief Champagne if interested in attending any EMS or firematic courses; contact him at [pchampagne@jonesvillefire.org](mailto:pchampagne@jonesvillefire.org), or cell phone # 423-5098 and in addition, please fill out a Course Request Form and put it in the Chief's folder at either station. This form will be in a folder at either station, or available at the district office.

**TRAINING:** Commissioner Training: Ross Byrnes. **Lightweight Wood Construction:** Rich Craver. **EMT-B:** Sarah Buck. **Prehospital Trauma Life Support:** Ken Graves. **Basic Wilderness Medical & Technical Skills Course:** Patrick Champagne. **Defensive Driving Course:** Tom Dippert.

**DRIVER TRAINING QUALIFICATION: R373:** Steve Warne

**TOP FIVE (5) FIREFIGHTERS for February (71 alarms):** Craig Lewis (45), Bill Dell'Anno (41), Jim Miller (39), Kelsey Miller (33) and Patrick Dell'Anno (32).

**HAPPY APRIL BIRTHDAYS:** Bill Owen (3), Tyler Lemire (7), Chris Murman (25), Bill Adams (27), AJ Baker (27), and Zach Wolfe (27).

**Firefighters of the Month – March 2017**

**Gary Braglia, Tom Dippert, David Ford, Dave Higgins and Dave Stores**

**Sexual Harassment Policy and DVD**

Just a reminder that all firefighters are required to review and acknowledge the policy and view the sexual harassment DVD in 2017. The DVD will be shown at several drills throughout the year and the policy is available. However, if you would like to view DVD and read the policy separately, please contact the District Office to make arrangements. If you have any questions, please contact the District Office.

**Tax Credit for Firefighters**

NYS Department of Taxation and Finance has issued Form IT-245 to claim a \$200 NYS 2016 income tax credit for service with a Volunteer Ambulance Corps or Volunteer Fire Department.

**Welcome Aboard!**

Welcome to new member Daniel Cherko!

**Social Use of the Training Room**

The Board of Fire Commissioners approved a policy to allow the use of the training room at Station 1 for social use by Jonesville Vol. Fire Department Members, Jonesville Ladies Auxiliary Members, and staff. If you are interested in using the room, please contact the district office at 877-8100 for an application form and a copy of the policy.

**Jonesville Fire District – Certified EMS Providers – Certificates Expiring in 2017**

Emergency Medical Technician Basic (EMT-B)

Bill Adams	November 30, 2017
Patrick Champagne	August 30, 2017
Tommy Dell'Anno	September 30, 2017
Ken Graves	June 30, 2017
Franz LaVigne	November 30, 2017
Anthony Reinemann	September 30, 2017
Steve Warne	October 31, 2017

**From the District Office**

**Defensive Driving Course – Reimbursement**

The Board of Fire Commissioners approved reimbursement up to \$40 for a six-hour defensive driving course taken within 2 ½ - 3 year intervals by active firefighters and district staff members. Courses can be taken through any accredited agency or online (e.g. Idrivesafely.com). To receive reimbursement, please submit a copy of the certificate and a copy of the invoice. Please contact the district office if you have any questions.

Notary Services and Voter Registration forms are available in the District Office.

**From the Office of the Chief**

The Chiefs' Show will be held June 14-17, 2017 at the Turning Stone Resort in Verona, NY. If you are interested in attending, please contact Chief Champagne by May 8th, and indicate which of the following you are interested in:

- (a) Hands on Training
- (b) Conference Full Term (Education Programs)
- (c) One Day Pass (Exhibits Only)

**Please see attachments to the Jottings for information on the Hands-on Training Programs.**

**Interesting Membership Facts – Update**

<i>Active Membership as of March 31, 2017,</i>	<b>63</b>
Average Age:	47.2
Members age 90	2
Members age 80-89:	1
Members age 70-79:	3
Members age 60-69	12
Members age 50-59:	14
Members age 40-49:	9
Members age 30-39:	6
Members age 18-29:	12
Members under age 18:	4

**\*\*\*\*\*Planning Ahead\*\*\*\*\***

April 9, 2017	Ladies Auxiliary Easter Party
April 29, 2017	Recruit New York Weekend

## NYSAFIC 111th Annual Conference HANDS-ON TRAINING FORM

Conference: June 14-17, 2017 • Expo: June 15-17, 2017  
Turning Stone Resort • Verona, New York

### Registrant Information

Use one form per person. Conference badge will be mailed to address below.

Name: \_\_\_\_\_

NYSAFIC Member # (if applicable): \_\_\_\_\_

Title: \_\_\_\_\_

Department: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_

State/Province: \_\_\_\_\_ Zip Code: \_\_\_\_\_

Country: \_\_\_\_\_ County: \_\_\_\_\_

Daytime Phone: ( \_\_\_\_\_ ) \_\_\_\_\_

Email: \_\_\_\_\_

Contact's Name (if different): \_\_\_\_\_

Contact's Phone (if different): ( \_\_\_\_\_ ) \_\_\_\_\_

### Program Registration & Fees

Select training program(s) and indicate desired training day(s) and session(s). Only one program can be completed each day. Training will be conducted on June 15 and 16. **Hands-On Training registration also includes Conference Full Term registration** (allowing entry to exhibits and classroom education programs). See reverse side for session descriptions and prerequisites.

#### Advanced Thermal Imaging Camera Ops (8-Hour Live Fire Program)

NYSAFIC Member: \$335 / Non-Member: \$385 / per person, per session  
 Thursday Session  Friday Session

#### Advanced Vehicle Extrication (8-Hour Program)

NYSAFIC Member: \$235 / Non-Member: \$285 / per person, per session  
 Thursday Session  Friday Session

#### Aggressive Interior Fire Attack (8-Hour Live Fire Program)

NYSAFIC Member: \$335 / Non-Member: \$385 / per person, per session  
 Thursday Session  Friday Session

#### Flashover (2-Hour Live Fire Program)

NYSAFIC Member: \$100 / Non-Member: \$125 / per person, per session  
Thursday  Session A  Session B  Session C  
Friday  Session A  Session B  Session C  
A: 8:00 – 10:00 a.m. • B: 10:00 a.m. – 12:00 p.m. • C: 12:00 – 2:00 p.m.

#### Multifaceted Elevator Rescue (8-Hour Program)

NYSAFIC Member: \$235 / Non-Member: \$285 / per person, per session  
 Thursday Session  Friday Session

#### Rapid Intervention/FAST/Survival (8-Hour Program)

NYSAFIC Member: \$235 / Non-Member: \$285 / per person, per session  
 Thursday Session  Friday Session

#### Rope Rescue: Rescuer Based Rescues For First Arriving Crews (8-Hour Program)

NYSAFIC Member: \$235 / Non-Member: \$285 / per person, per session  
 Thursday Session

#### Rope Rescue: Rigging For Success – Team Based Rope Jobs (8-Hour Program)

NYSAFIC Member: \$235 / Non-Member: \$285 / per person, per session  
 Friday Session

#### Truck Company Ops I: The Inside Truck (8-Hour Live Fire Program)

NYSAFIC Member: \$335 / Non-Member: \$385 / per person, per session  
 Thursday Session  Friday Session

#### Truck Company Ops II: The Outside Truck (8-Hour Live Fire Program)

NYSAFIC Member: \$335 / Non-Member: \$385 / per person, per session  
 Thursday Session  Friday Session

### NYSAFIC Membership

Join or renew your membership. \$40 annual dues payment.

Membership Renewal – Member #: \_\_\_\_\_

New Member – Please specify information below:

Fire Section  EMS Section  Both\*

\*Dual membership: must be a chief fire officer of a fire department that is also an EMS provider service.

Your Status:  Career  Volunteer  Military

### Payment Information

Check (Make payable to NYSAFIC U.S. funds only)  Voucher

American Express  Discover  MasterCard  Visa

Card #: \_\_\_\_\_

Expiration Date: \_\_\_\_\_ / \_\_\_\_\_ CVN #: \_\_\_\_\_

Name On Account: \_\_\_\_\_

Billing Address (if different): \_\_\_\_\_

City: \_\_\_\_\_

State/Province: \_\_\_\_\_ Zip Code: \_\_\_\_\_

Grand Total Fee Due: \$ \_\_\_\_\_

### Hotel Reservations

Use the Hotel Reservation Form to reserve a room at a "participating" hotel. This form must be submitted with the Hotel Reservation Form.

### Cancellation Policies

Training cancellations must be submitted in writing to NYSAFIC. A service fee of 25% will be applied. After FIRE 2017, unused badges (with all entry stubs intact) must be returned with a letter of cancellation to receive a refund. The deadline for requesting refunds is July 14, 2017. Hotel reservation cancellations must be made directly with your hotel/property. Individual hotel cancellation policies apply. In addition to any hotel fee, NYSAFIC will apply a \$100 cancellation fee if you cancel your room after April 28, 2017. NYSAFIC does not assume the responsibility for cancelling hotel reservations if the association is notified of cancellation of your training registration.

### Submit Form & Payment to NYSAFIC

New York State Association of Fire Chiefs  
1670 Columbia Turnpike • P.O. Box 328 • East Schodack, NY 12063  
Email: conference@nysfirechiefs.com • Fax: (518) 477-4430  
Phone: (800) 676-3473 or (518) 477-2631

## PREREQUISITES, PROGRAM DESCRIPTIONS, & PPE REQUIREMENTS

### **Course prerequisites (or equivalents) for all programs:**

Firefighter I OR Basic Firefighter and Intermediate Firefighter OR Firefighting Essentials and Initial Fire Attack. Each student must also provide a signed authorization letter from the chief of his/her department (sample letter will be provided).

### **Advanced Thermal Imaging Camera Ops**

When was the last time you trained with a TIC? Most firefighters will answer, "At the last fire or fire event." The instructors for this program have spent many years working with thermal imagers and have found more uses than you can imagine to get the most out of your department's TIC investment. Students will be armed with knowledge to take back to their departments to ensure that the camera is one of the first tools off the vehicle at more than just fire events. **PPE Requirements:** Students must bring their own OSHA compliant full firefighter protective equipment (no jumpsuits or coveralls), SCBA, and one spare cylinder per student. \* *Live fire program.*

### **Advanced Vehicle Extrication**

This program will provide students with a fast paced extrication experience that will include all aspects of vehicle extrication, from stabilization to plenty of tool time. Evolutions will include wheel, roof, and side resting vehicles with minimized vehicle access. Students will be challenged to use their skills to perform a scenario-based extrication with victim rescues, scene hazard recognition, and mitigation. **PPE Requirements:** Students must bring their own OSHA compliant full firefighter protective equipment (no jumpsuits or coveralls). Students do not need to bring SCBA.

### **Aggressive Interior Fire Attack**

This intense program is a unique opportunity for you to put your skills to work in live fire. Students will join seasoned instructors as they review techniques that are essential for survival in today's fire environment. Skills that will be enhanced in this program include effective and efficient hose stretches, hose loads, hoseline operation, standpipe and defensive operations. This program will push you to your limits, challenging you to become one of the best firefighters in New York state. **PPE Requirements:** Students must bring their own OSHA compliant full firefighter protective equipment (no jumpsuits or coveralls), SCBA, and one spare cylinder per student. \* *Live fire program.*

### **Flashover**

It is said that if you are more than five feet from the doorway, your chance of survival in a flashover is minimal. Working in this program, you'll experience fire development from the incipient stage all the way to flashover. You will be able to identify the signs and symptoms of the event before you are part of the flashover. If you've never been in a flashover container, this program – staffed by America's most seasoned instructors with years of experience teaching with a simulator – is a must. **PPE Requirements:** Turnout coats and helmets will be provided for this program to avoid heat and smoke damage to your department's gear. Students must bring bunker pants, hoods, gloves, SCBA, and one spare cylinder per student. \* *Live fire program.*

### **Multifaceted Elevator Rescue**

You've been to an elevator rescue that has gone wrong. This program, conducted by the best elevator rescue teams in the country, will help students understand all facets of elevator rescue. Working in actual elevators, students will perform real life rescues. You'll leave this program with the advanced knowledge required for operations in both modern and older elevators. **PPE Requirements:** Students must bring their own steel toe work boots, work gloves, and helmet.

### **Rapid Intervention/FAST/Survival**

Does the rapid intervention team concept work in your department? It all begins with self-survival techniques. Students in this program will work hard while identifying what's working and what's not working with the RIT/FAST programs in their departments. You'll leave with a new outlook on the RIT/FAST/survival program, along with information that can be taken back to your department for positive change. This is a fast-paced and fun program that will pay off in the future for your department. **PPE Requirements:** Students must bring their own OSHA compliant full firefighter protective equipment (no jumpsuits or coveralls), SCBA, and one spare cylinder per student.

### **Rope Rescue**

This program is targeted toward firefighters from departments that have identified the potential for rope rescue calls, whether for construction workers and window washers who are imperiled at heights or hikers and recreational climbers who have fallen into one of the many gorges and ravines that New York state is so famous for. If it has been awhile since you have refreshed your personal rope skills or if your department's tech rescue team wants to challenge their readiness for the next serious rope job, this training is for you. **PPE Requirements:** Students must bring their own close fitting rescue gloves, footwear that provides ankle support, and helmets. Students with department issued NFPA Type 3 harnesses can use their own or one can be provided.

### **Truck Company Ops I: The Inside Truck**

Students in this program will be instructed in the principles of fire service forcible entry and fire building search and rescue. Understanding today's forcible entry techniques is a must for every firefighter in every community. You may think you've mastered the art of forcible entry, but the veteran instructors for this program will show you otherwise. If you can't get into the building, the fire grows and the life safety of citizens and firefighters is at risk. Once you get into the fire building, focus changes to getting around the building as you search for trapped victims and remove them as quickly as possible. You will be taxed beyond the normal search techniques taught in recruit school. The most obvious challenge is making sure you and your partner stay alive and complete the mission. Methods and techniques for victim removal will be explored. **PPE Requirements:** Students must bring their own OSHA compliant full firefighter protective equipment (no jumpsuits or coveralls), SCBA, and one spare cylinder per student. \* *Live fire program.*

### **Truck Company Ops II: The Outside Truck**

The students in this program will be instructed in the use of ground ladders, vent-enter-search tactics, as well as primary roof operations on both flat and peaked roofs. Students will be challenged by some of the country's best fire instructors in roof ventilation and ground ladder operations. These instructors have years of experience laddering and opening up fire buildings. They will share tricks of the trade, safety tips, and their vast knowledge of roof ventilation, ground ladder practices, and one of the most aggressive life safety operations – the vent-enter-search of a room above the fire floor. Deploying ground ladders for building access and egress, ventilation, roof operations, and other special uses will be covered. **PPE Requirements:** Students must bring their own OSHA compliant full firefighter protective equipment (no jumpsuits or coveralls), SCBA, and one spare cylinder per student. \* *Live fire program.*
