

Chief's Report for March 2015

Informational

I will not be in attendance this evening due to attending a class in Wilton.

Congratulations to Mark Cecilione who was nominated and chosen as the Firefighter of the Month for February. Mark has taken the lead in helping implement the fitness program that I have assigned to him.

Thank you to all who responded and assisted at the structure fire in Round Lake on February 16, 2015. With that, please be cognizant and aware of those who are on scene; especially from the public. It is imperative that we be cautious in what we say as it could result in a negative reflection on Jonesville and the overall fire service.

At the Clifton Park Fire Department Installation Banquet, Jonesville was awarded the 2014 Chief's Award by Past Chief Buck. My extended thanks to everyone who has been instrumental in contributing. I will arrange to have the plaque hung up.

Recruit New York Weekend will take place on April 25 and 26, 2015. Both stations will be open to the public. First Assistant Chief Graves will oversee Station 2 and Lieutenant Bill Dell'anno Station 1. Your assistance would be appreciated.

New K-tools have been purchased and placed on each MED. Check sheets will be updated to reflect this.

Apparatus/Equipment/Chief's cars

The new Chief's car is moving along fine.

PM's are upcoming for the fleet in April.
